County Group Gives Cautious O.K. on Country Club

The Lake County Regional Planning Commission gave a cautious recommendation in favor of strip annexation of the proposed Planned Unit Development at the Antioch Country Club, at the April 7th Meeting of the Village Plan Commission.

The report, issued by Community Assistance Planner Cranston Byrd, stated "...the

Village would like to grow, but doesn't have the supportive facilities base....The development provides a sound base for the facilities and will promote the Village land use policies for the land in the middle."

What in effect the report said, and which was apparently lost by the large crowd attending, was that the development would benefit the Village if the

development contained a sound base of services (i.e. sewer, water, roads, schools, fire and police protection).

Prefacing their statement the County Plan Commission stated that the "proposed annexation of strips of land will set a precedent for future development in the Village"....and "...should be consistent with present Village planning policies for future growth."

They listed the following items as being of prime concern.

1. Natural Resources
2. Public Facilities (sewers, roads, police and fire protection).
3. School Impact

According to Gerald Estes, Director of the Regional Planning Commission, the decision to approve annexation "is in our role as an advisory group. We are, in a sense, in the employ of the Village and have merely recommended annexation. The final decision is up to the Village. We never pre-empt the functions of elected officials."

In reaching their decision the County group listed two

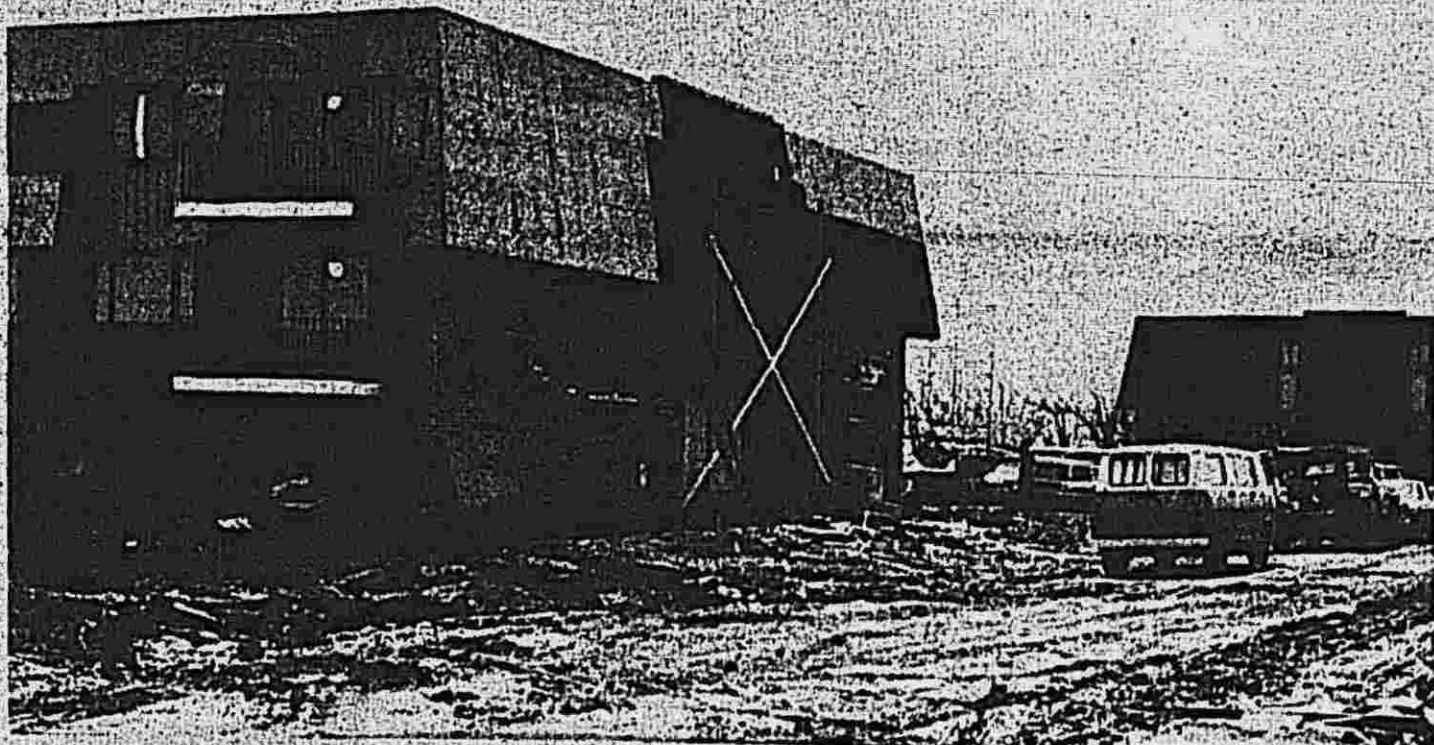

alternatives for orderly growth that they had considered.

The first was what the group termed the "core concept." In this version, growth would occur from the core outward, radiating from the Village to incorporate contiguous, or adjacent, parcels of land.

However, they noted that the present trend in and around Lake County was the reverse of this traditional method and involved strip annexation. Strip annexation is a manner of leap-frogging to annex a section by use of a small connecting strip of land. In this method, land at a distance from a village is connected and annexed with the land in the middle being annexed at a later time.

The Waukegan based group urged the Village to exercise caution in the event strip annexation were to be used. They noted that growth should move outward at a rate compatible to the Village's ability to provide supportive facilities and public investment needed to sustain a growing population.

Spring Growth

Murrie, Republican Slate Wins

District 4 electors recorded a vote of confidence on Tuesday, April 4th by returning Antioch Township Supervisor Lloyd Murrie and four other incumbents to their seats on the Lake County Board.

Murrie polled 3,947 votes in a light turnout and ran fourth on a five man Republican slate. Other winners in District 4 were Norman Geary 4,155; Harry Robin 4,030; George Bell 4,010; and Ronald Coles 3,714.

Commenting on his victory Murrie said, "I'm very pleased the people of the district elected me to represent them." On the composition of the new board Murrie noted "because of the lack of experience of the new board members it will take time for them to become knowledgeable."

"I think the biggest problem facing the new board will be the matter of finance. We have quite a job cut out for us to run government without dropping services due to finance loss."

The five man slate defeated their Democratic counterpart and an independent to regain their tenth floor,

Waukegan chairs.

Defeated were Democrats Mark Turner 1,591; Ralph Montrimas 1,586; Harold Kaiser 1,282; Richard Berger 1,249; and Carl Seaholm 1,129. Independent Joseph Bogacz drew 553 votes.

The election of Murrie was accomplished with less strain than had been anticipated. His 3,947 votes were only approximately 200 shy of the front runner Norman Geary. It had been expected that two Democratic challengers from Antioch Township (Richard Berger and William "Mark" Turner) would cut into Murrie's vote total, but the threat never materialized.

Something of a surprise was the poor showing of Democrat Ralph Montrimas of Lindenhurst. The Lindenhurst Village Trustee had run a tough hard campaign,

Schools Have 7 New Board Members

Area voters returned 3 incumbents and elected 7 newcomers to five local school boards in elections held Saturday, April 8th.

In a hotly contested race, Larry Fears and Glen Moore, both of Lindenhurst, defeated Micheal Warren and Milo Bailey for membership on the Antioch High School Board. Fears and Moore parlayed a strong Lindenhurst showing with marginal votes in Lake Villa and Antioch to gain election. The margin of victory for the winners was fairly substantial as Fears and Moore outpolled Warren and Bailey by nearly 200 votes each. Final totals were: Fears, 656; Moore, 607; Warren, 444; and Bailey, 419.

At the Antioch Grade School Board, incumbent Mrs. Mildred LaPlant and Jay Richardson, of Lindenhurst, were the winners and the only candidates on the ballot. However, a last minute write-in movement earned 76 votes for Clinton Glover. Totals were: Jay Richardson, 212; LaPlant, 206; and Glover, 76.

In other races John Steitz Jr. and Henry Nohava were returned to their seats on the Grass Lake Board by defeating Doris Samson and George Skopek. Vote totals were: Steitz, 176; Nohava, 122; Skopek, 77; and Samson, 73.

Incumbent Ronald Sheedlo and Mrs. Sharon Lichter were winners in their races for the Emmons Board. The two were high vote-getters in a field that also contained Harry J. Lindgren. Vote totals were not

available at the time of publication.

In Lake Villa, the team of Raelene Gibbons and Robert C. Henderson defeated Louis Hartokolis and John Shore, who also ran as a duo. Voting was extremely heavy in this race of multiple issues. Totals were: Henderson, 892; Gibbons, 888; Shore, 763 and Hartokolis, 758.

The local boards will hold special reorganization meetings in the near future, at which time the new members will be installed.

PTA's Meet-Elect Representatives

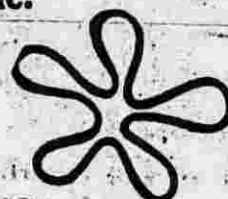

On Monday night, April 10, 1972 the three grade schools in the Antioch system met and each elected two representatives to meet with the School Board and Administration to decide what can be done concerning the financial difficulties of our grade school district.

In the Antioch Grade School, president Gloria Holbert handed out paper to write questions and recommendations for the two members to take to the Board. Elected to represent the Antioch Grade school are Dr. Barnes and Clinton Glover.

Jim Olschlager and Bob Kelley were elected to represent the Oakland Grade School. President Jean Montrinas conducted the meeting and the audience was given the opportunity to write questions or recommendations on cards which will in turn be given to the representatives.

Carol Whitton, President of the Channel Lake Grade School, similarly conducted their meeting with questions and suggestions transferred from the audience to the two representatives who are Michael Zelen and Mary Lou Miles.

On Wednesday night the Upper Grade Center will elect their two representatives and these eight people will hopefully convey to the Board and Administration the wishes of the public.

CAUTIOUS O K

CONTINUED FROM Pg 1

members made it known that the recommendations given to them by the county group were only that, recommendations. They noted that they would require time to study the matter.

Commission Chairman, Robert Bemis stated that the matter would be "tabled until such time as we have a formal request for annexation from the developer (Thomas Santino)."

The commission which is also studying a proposed mobile home park, said that they were currently studying the matter and preparing a mobile home ordinance for presentation to the Village Board.

Emmons "Burst of Spring"

The Emmons Parents Club will present "A Burst of Spring" dinner and fashion show on Thursday, April 13 at the Iron Kettle, Wilmot, Wisconsin. Dinner will be served at 6:30 p.m. Tickets may be purchased at the door or call 395-5371 or 395-3076. Donation is \$5.25.

Leigh Porter (left) will model a red Lakeland jacket with buttoned patch pockets, the short sleeve knit shirt by Donegal and knit slacks by Haggar. Steve Smouse (right) will model a Phoenix knit sportcoat, navy blue and red on white with half belt, short sleeve shirt by Holbrook, knit slacks by Donegal and patterned tie by Oleg Cassini.

Stanley's Men's Fashions will present their latest fashions for the men and The Red Door will present the women's fashions. (Staff Photo)

MURRIE SLATE WINS

CONTINUED FROM Pg 1

but as with all the Democrats, was trounced by better than a 2-1 margin.

Evidently, Republicans who had crossed over to vote Democratic in the March 21st primary returned to the fold. Make up of the new board will see 15 Republicans, 5 Democrats and 5 Independents. Of the 25, fourteen are new members and 11 are incumbents.

In addition to the 14 newcomers, voters elected five women and the County's first black board member. Another black seeking the post was narrowly defeated.

The women are Millicent Berliant, Mariellen Sabato, Bertha Ogrin, and incumbents Helen Amendola and Janet Morrison.

First black to be elected was Samuel Payne, 52, a Democrat from Zion in District 3. Another black, Democrat Oby Cowan of District 2 lost his bid by less than 100 votes.

EDITORIAL

statistics facts

Statistics can be a savior or a satan, when it comes to evaluating their worth. Lately, statistics and pseudo "facts" have been thrown about with alarming frequency and in many cases have proven pointless.

Some facts to consider:

In the last three years (March '69 through March '72) there have been 231 single family residences built in the village and township, each valued at approximately \$25,000. If figures for school impact are multiplied in, there is the possibility for an additional 481 children in the school systems.

Using these same figures, the proposed Country Club Development, for example, would produce 1,487 dwelling units, each valued at \$22,000 overall and over a five year period would produce 564 children.

If the development were not granted P.U.D. zoning and was built as a single family sub-division, its 555 potential homes, valued at between \$25,000 and \$40,000 would produce 1071 children.

These statistics concerning the village, township and country club prove nothing in themselves. They merely show that there has been significant building in the past that is being glaringly brought out by the magnitude of an "instant population."

What the people of Antioch must now consider is that if their opposition to the proposed development is successful the battle of developments will not be won. Currently, there are three other large scale housing projects on the architect's boards destined for the area around Antioch.

Should we ignore the facts and blindly strike out at growth? Or should we take an enlightened attitude, recognizing that growth is inevitable and our biggest challenge will be to make it serve us?

Statistics are cold, bloodless numbers. People, growth and progress are, on the other hand, of a warmer nature. Rather than wasting our energies jousting with windmills, we should channel our strengths to make these projects work to our best advantage.

Thank you

Dear Mr. Rush, (Editor)

As the Christian community celebrates and re-presents the victory of their leader over the forces of evil in this world, I would like to take this opportunity to congratulate the ANTIOCH NEWS on its fine article and editorial concerning that man dedicated to his community, Chief Jack Davis.

The ANTIOCH NEWS had the patience and human empathy to put truth before rumor, prudence before publication and trust in dedication before circulation.

The names of the men who crucified Jesus Christ have long been forgotten but Jesus has continued throughout history to grow in popularity and even today is most popular because as He said, "There was nothing secret about anything I said. Why do you question me?" and "I came into the world to testify to the truth."

Pilot feared the truth, what he feared he hated, what he hated he destroyed. In the end Jesus was victorious, as the phoenix rising from the ashes. He did, however, retain the scars from His wounds as a sign of the price of His faithfulness to the "doubting Thomas".

Sincerely,

Rev. Eugene L. Keusal

My Dear Mr. and Mrs. Rush:

I would like to tell you how very much I enjoy your Antioch News. I lived in Antioch for many years and I guess it will always be "home" to me. I am so interested in all of its activities and problems. Love the new format of your paper.

Very Sincerely

Edna McBey Warriner
 Peoria, Illinois

Gratitude for Servitude

The current crisis in school education has made the post of School Board member, less than a coveted position. Long hours, personal sacrifice and the weight of important, multi-alternative decisions provide a constant strain.

With the installation of new board members only a few days away, it is now more than fitting that we offer and praise and say thanks to three retiring board members: Robert Denman, August Costoff and Tod Maplethorpe.

These men have a total of 24 years of service to the community and its' educational facilities and have been involved in some of the most important decisions local boards have ever had to make.

While we, of course, wish the best of luck and success to new members, we feel it time that the unselfishness and dedication of these exceptional citizens be known and acknowledged.

CONCERNING THE ACC DEVELOPMENT

With regards to the planned development at the Antioch Country Club; do the apathetic people of Antioch and Antioch Township not realize what their lack of concern will cost them in money and recreational enjoyment?

The Antioch grade schools and high schools are presently in debt, where do these non-caring people plan on getting the money to build and support the new schools which will be needed to educate these new students? The development is being planned for retired people and families with one and two children, projecting some 500 school age children. When was the last time retired people voted yes to raise their taxes, and can you blame them? So how do we educate these children?

Finding a parking place in Antioch now is almost impossible, what will it be like with an added 2000 cars in town and on our already extremely bad roads?

For those who enjoy the Chain of Lakes for swimming, fishing and boating what will 379,500 gallons of treated sewerage dumped EVERY DAY into the Petite Lake Channel do to these already mucky lakes?

It is these apathetic people who can't be bothered to work against this development who will scream the loudest when their taxes raise, when they can't find a parking place in town and when the Chain of Lakes are no longer fit for recreational use.

Everyone in Antioch and Antioch Township HELP STOP this development. The above are only a few of the problems this development will create. THINK of the additional cost of added police and fire protection and parks and playgrounds and more; it seems the developer has forgotten about these.

YOU can help by attending village and county meetings and by contacting our newly elected county supervisors in district four and letting them know how you feel about this development. Remember these supervisors represent the people and must do as the majority want. . . so let's be the majority!!!

Bob and Ann Kaiser
 Rt 2 Box 64
 Antioch, Ill.

TO EXPLAIN?

Until tonight we had always prided ourselves on being able to explain things to our children. Tonight our daughter returned from attending a School Board meeting at Antioch Community High School and asked for explanations - maybe you can help with the answers.

How do you explain to children why the Board must release fifteen teachers from the school? How do you explain the way in which it was done? Fifteen teachers were released - fourteen of them did not have tenure. How do you explain that the tenure law not only protects the excellent, concerned teachers but also the teachers who are not so concerned and may be just serving out their years?

How do you explain that the cuts to be made in extra-curricular activities and athletics will leave the school dark and empty in the evenings and on weekends - especially in a town where there are few real activities for our children.

How do you explain to your child that only 25 percent of her classmate's parents bothered to be concerned enough to vote in the last school referendum?

How do you explain that it would cost only an additional \$150.00 per child to meet next year's budget?

How do you explain a Governor and State legislature who watch the schools of the State of Illinois deteriorate and do not put education at the top of their list of priorities? High School kids read the newspapers - they know of the scandals in our State government.

How do you explain a Federal government that taxes its population to support a war in the Viet Nam and can not or will not use those same taxes to support our schools?

We have tried to answer these questions and explain to our children that people cannot afford higher taxes - that people are very disturbed over the way our tax money is being used - that people really do care about education and children.

Our children do not understand. Neither do we. Do you?

Mr. and Mrs. Fred Shkapich

Dear Editor:

What a package of information, covering from today's events, to household hints, arts, religion and all form of community activities and all found in one small newspaper, namely Antioch News. Your news paper is well laid out and packed full of interesting goodies to read from cover to cover. I look forward each week to receiving my copy.

Keep up the good work.

The Odyssey of the Antioch Library

As motorists drive past the Antioch Township Library, they probably remark about the new character of the building. The building is little more than two years old and contains many of the recent building innovations that make it an eye catcher.

However, in the not so distant past, the library was housed in a variety of structures which included in their number a cubbyhole in a local store and a vacant room in the Antioch Grade School.

The beginnings of the library were indeed small. It all began in 1921 when six public spirited members of the Antioch Women's Club erected a few shelves in Chinn's Newspaper and Magazine Shop, which was formerly on the site of the present First National Bank building. The only books available were those donated by helpful residents. In order to cover expenses for the fledgling operation, homemade candy was sold in the lobby of the Antioch Theatre.

Under the direction of Mrs. W. W. Warriner, President of the Women's Club, the library moved to the old town hall in 1922. In this setting, readers were occasionally inconvenienced by the din and confusion from the jail below or from the shouts and wail of the fire department which shared the building. To provide funds for the library, members of the Woman's Club held frequent card parties.

The library operated during this period of time without the services of a regular librarian. Several of the women involved in fund raising took turns holding down the post, but the women knew they needed assistance.

Then, in 1924, Miss Mary Stanley, one of the first graduates of Lake Forest College, assumed the task of librarian. The lively woman worked on an entirely volunteer basis and oversaw operation of the part time facility.

Seeing the advantages that could be provided by a public library, the people of Antioch, in 1926, voted to make the library a public service and named it the Antioch Village Library. Miss Stanley was retained as librarian and was provided a meager salary.

However, the library couldn't run relying entirely on donations. In 1928, the people of the village voted to levy one-tenth of a cent to cover costs of operating the library. The total appropriation this provided the library was just

\$634.52 in 1928.

In 1930, the library made its second move, to a vacant room in the old section of the Antioch Grade School. The school had given the village permission to house the library behind a room reserved for the kindergarten.

In 1937, the library became a township property by a referendum vote. Nevertheless, this was a change in name only, since the services were part time; the staff, volunteer and small; and the funds for books and furniture hard to come by.

The library was again on the move in 1939. It moved up to the second floor of the Elms Building, now occupied by Bernadettes Art Shop. The new location provided more available space, but the problems that plagued the library since its inception were far from solved.

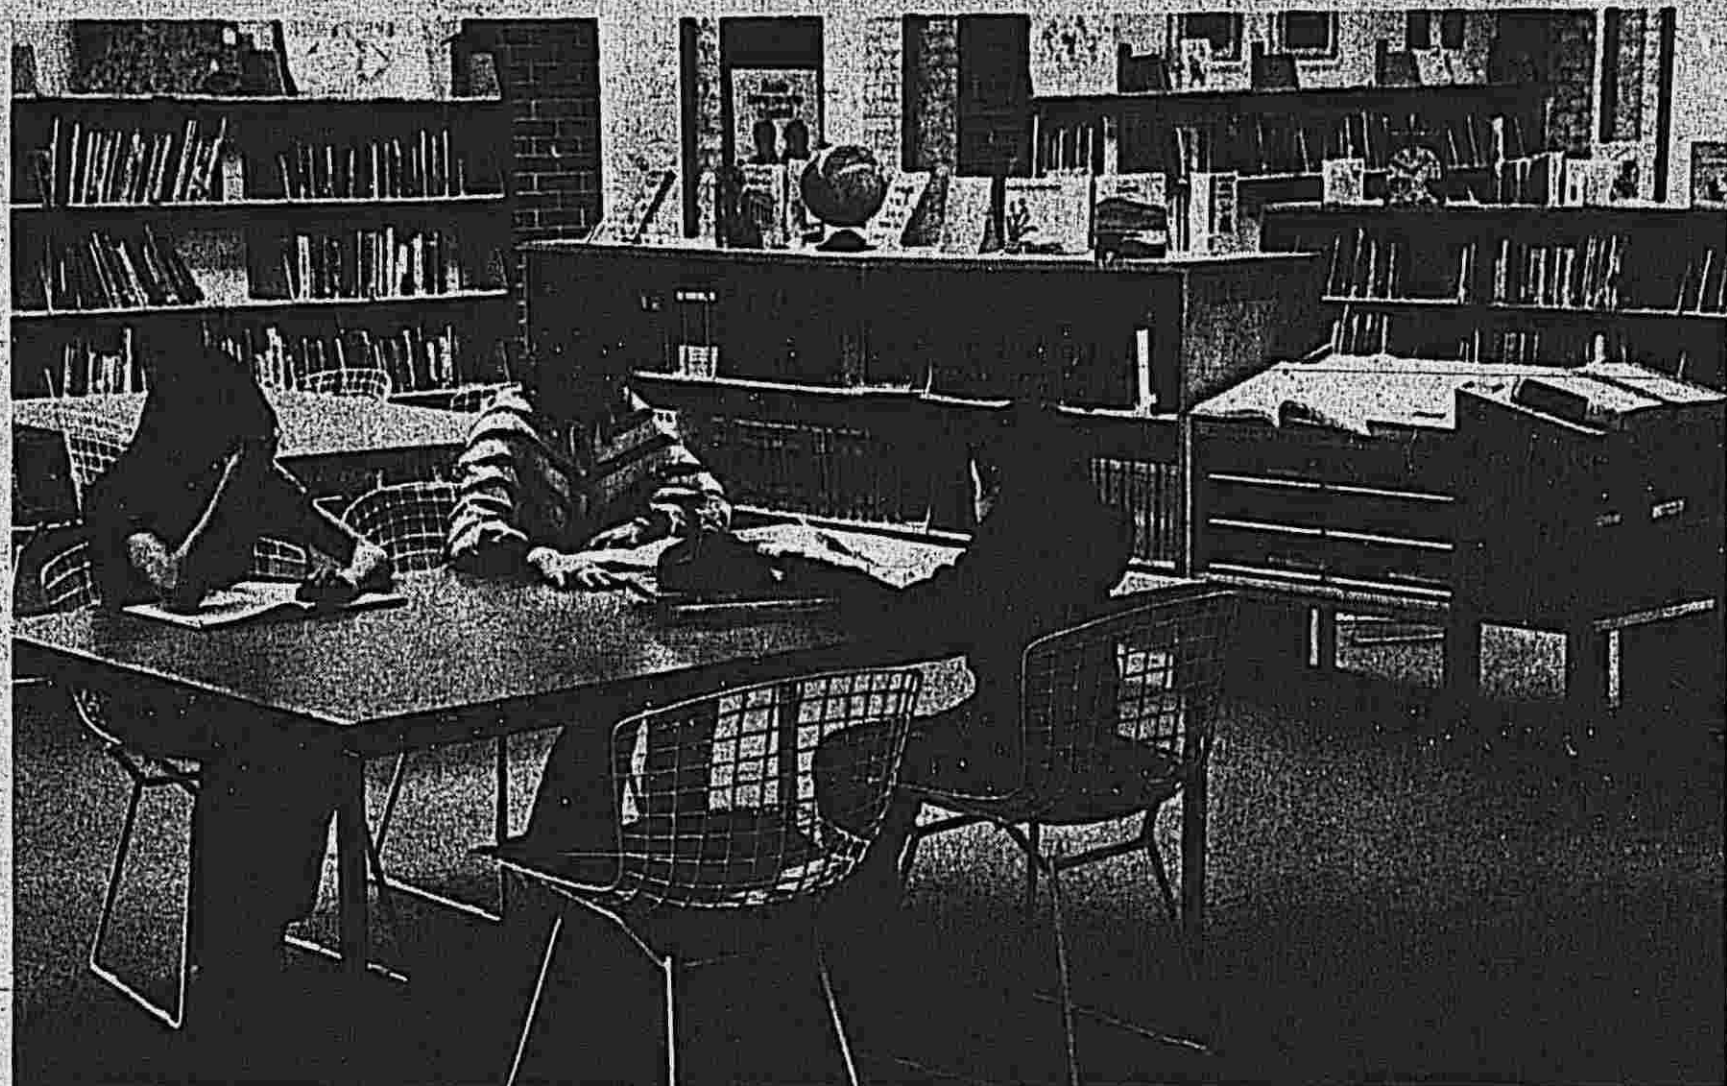

In three years the second floor loft proved too small and library workers envisioned another switch. It came in December of 1941 after a decision by the Township Library Board to lease the first floor of the Masonic Building. Volunteer workers did much to make the move to the building now occupied by Polson's Health Food Store a swift and orderly one.

When this location too, had become too small, the former home of Edgar B. Williams was given to the township by Mr. and Mrs. William Schroeder for the purpose of housing the library. Donations from the estate of Mr. and Mrs. C. K. Anderson (Mrs. Schroeder's parents) made the necessary remodeling a reality. Once again moving was accomplished with the aid of volunteer help.

Even this last change, however, was not the complete answer. Soon seating was making way for the increased demand for shelving space. In May of 1965, a referendum was held and passed to raise the tax levy and enable the library to accumulate funds for a building program. An application for a federal building grant was approved in 1968 and the wheels were set in motion for the latest and perhaps the last change of address.

Ground breaking for the Main Street library was begun in January of 1969 and in slightly more than a year the library was occupying the present structure.

On September 6th of 1970, the dreams of many of the original volunteers were realized when the completely equipped library held its open house and

ended an almost fifty year odyssey.

Children's Section Provides Quiet Study. (Staff Photo)

LIBRARY MARKS ANNUAL LIBRARY WEEK

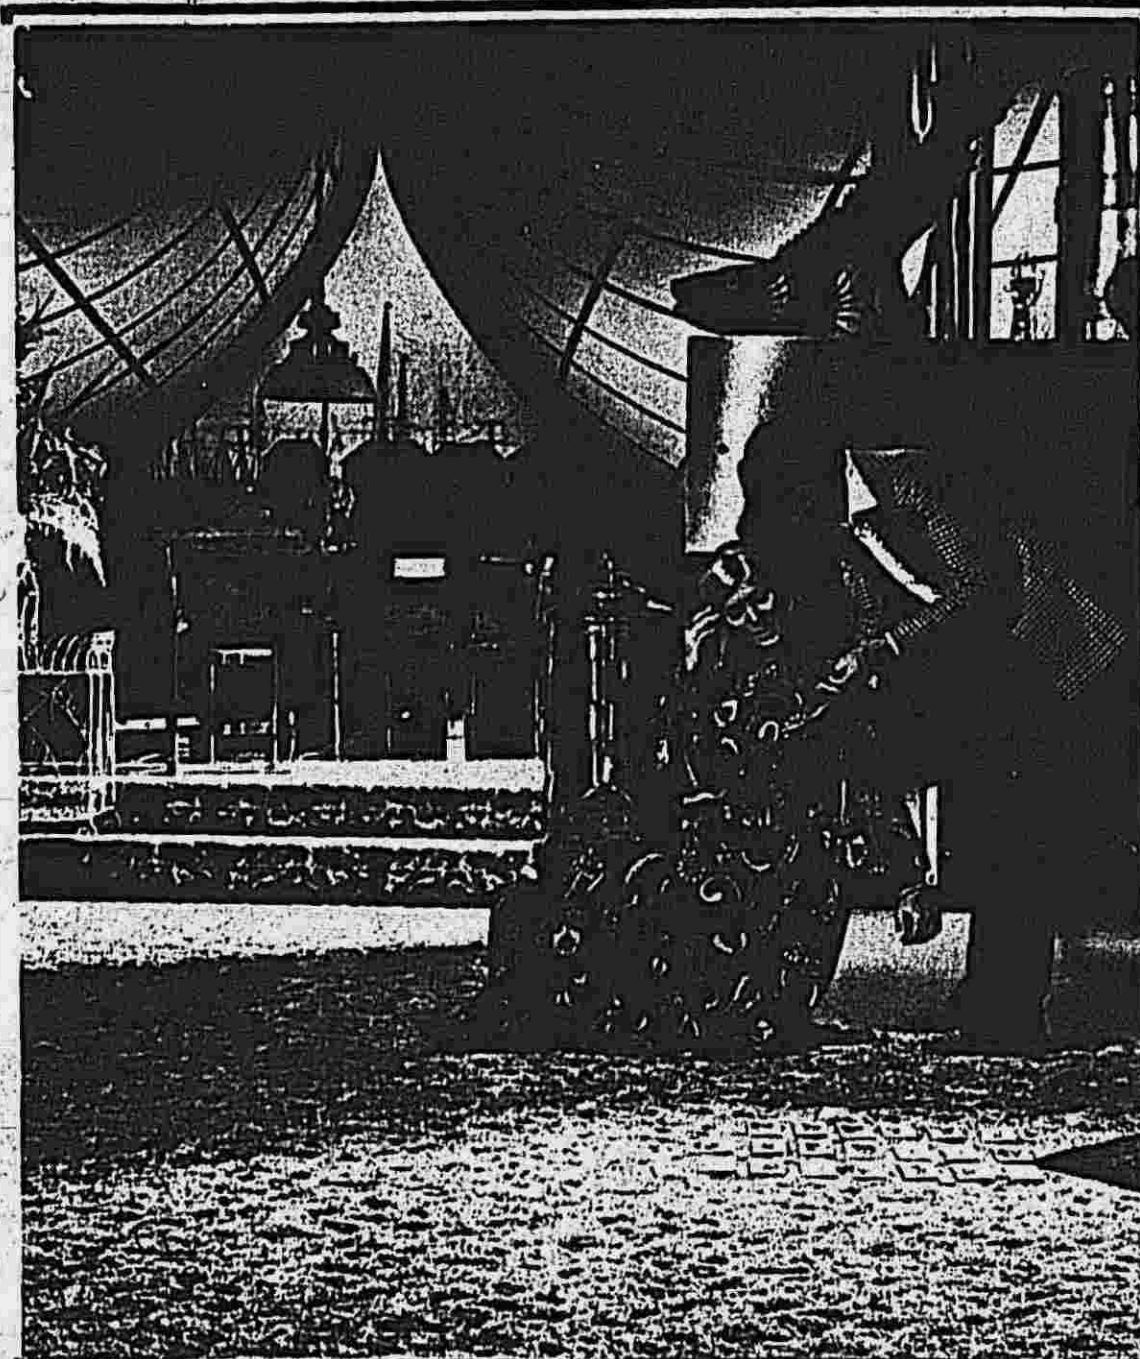

READING MAKES THE WORLD GO 'ROUND AND YOU'VE GOT A RIGHT TO READ are the dual themes of the Fifteenth National Library Week Program to be observed in states and local communities across the country from April 16th to 22nd.

The week is the annual focus for continuing voluntary efforts by librarians, authors, teachers, scholars and readers to encourage lifetime reading habits and promote the wider use and fuller development of all types of libraries.

The themes reinforce efforts by National Library Week workers to strengthen the role of reading and libraries in meeting urgent national priorities—the Right to Read effort, early childhood education and equal educational opportunities for the disadvantaged.

The year around reading and library development program is sponsored by the National Book Committee, Inc., in conjunction with the American Library Association.

The Antioch Township Library will be taking part in the annual "week" activities. Staff workers mentioned that they had many new books on display plus a special children's section to encourage young readers to take full advantage of the library's facilities.

by: Gigi Spittle

As I am writing up this week's column, there is snow on the ground outside and it is bitterly cold. A typical Spring day in Antioch. This week I interviewed ROGER DEBENHAM, (Hunter) on "MOTORCYCLE SAFETY." Roger is the half owner of North Central Suzuki, Inc., in Antioch, Illinois, along with his brother, Dave. He has been in the motorcycle business for 7 or 8 years, along with another business, importing racing motorcycles from Germany. With this background, I know you will all agree with me that he knows what he is talking about concerning motorcycle safety. Roger said:

"The first thing a person thinks of is a motorcycle is not safe. Since I know a little bit more about motorcycles because I work with them, I also know that this is not true. IT IS SAID THAT 70% OF THE MOTORCYCLE ACCIDENTS ARE CAUSED BY CAR DRIVERS. Because motorcycles are the "In" thing, the newspaper reporters think "A motorcycle accident, we can really play it up." There are so many car accidents every day, the papers don't put them all in, but a motorcycle accident gets right in, therefore, people think that motorcycles are very dangerous. The car driver does not recognize the fact that a motorcyclist is on the road. The motorcyclists have the same right to be on the road as the car. Sure, they are harder to see than a car. It is the motorcyclists obligation to know he is a little harder to see. He has to drive accordingly. If a car driver would register in his mind that there is a motorcyclist in front of him, an accident might have been avoided. The rule and regulation makers should pay more attention to the overall scene of highway use, cars,

trucks, motorcycles, etc. The car driver should be more aware. In other words, car drivers, "Please see and react" when you see a motorcycle.

Becoming familiar with ones motorcycle and the characteristics of it in different conditions, on pavement, gravel, etc. is important. Knowing how to operate this machine properly is equally important. 80% OF THE ACCIDENTS INVOLVING MOTORCYCLISTS HAPPEN WITHIN THE FIRST 400 MILES THEY ARE DRIVING THEM. There's a dangerous curve up ahead, and the new motorcyclist does not even register that there's danger ahead. Then PANIC. Now he can't do anything. Through experience a motorcyclist gets to know how to cope with different situations like this. When I see gravel on the pavement ahead, I naturally slow down. If something is going wrong on the motorcycle, for instance if the oil isn't right, the engine locks up, or the tires are low to name a few, something dangerous definitely can happen. The machine should be safe. You should make sure the machine is operating properly. You have to know how quickly you can stop and how fast you can safely go around corners, to name a couple of points.

Basically the motorcycle is a safe vehicle. The stopping distance is less for a motorcycle than for an automobile in many situations. The visibility factor of a motorcycle is much greater than an automobiles since there is no restriction. The automobile driver is one who has to be schooled to cut down on existing accident rates of motorcyclers.

The motorcycle is a new thing in this country. Within the last 10 years, they have gotten to be really the "thing." If any of us were 10 years older, we would probably think that the motorcyclist is some sort of a weird dude, he wears funny clothes, that sort. . . There is a certain amount of risk in everything. I have more scars on my person from involvements in a car than on a motorcycle. I have raced motorcycles for a long time, but I only have a few scratches from competition racing. To me this is not unusual because I think a motorcycle is very safe as long as you are experienced with the vehicle, or have any common amount of sense. I think that common

sense of the rider makes the motorcyclist experienced. You throw away common sense, then the motorcycle can indeed be a dangerous thing."

Peace till next week.

Gigi

SHOPLIFTERS APPREHENDED AT A-MART

Two women from Trevor, Wisconsin were apprehended for shoplifting at the A-Mart in Antioch on Monday April 10th.

Helen Kolar, 61, and Virginia K. Reiche, 41, were both arrested within a short

span of time after attempting to leave the store with merchandise valued at approximately \$2.50 and \$6.25 respectively.

The women posted bond and are free until their scheduled court date.

Remember When?

Remember when? We don't, but maybe some of you do. It is Antioch or the people from Antioch. For the next few weeks we will publish a photo from a time long past in hopes for some it might spark a fond memory.

If you should happen to know when and where, let us know! We are sure many would be interested. Also if any of you have a very interesting "remember when" photo of Antioch and would like to share a memory or two with others, we will try to print it for you.

County Board Public Drawing April 20th

On Thursday, April 20th at 10 A.M., a public drawing will be held in the County Board meeting room on the 10th floor to determine which members of the new Board will serve a four year term, and which will serve a two year term.

In each of the five districts, two members will serve for four years, and two for two years, their terms ending May

1st, 1976 and 1974 respectively. (Thereafter, all terms will be for four years.) First we shall draw to determine which districts will get a third four-year term (three will be so designated.) And secondly the individual candidates in a given district will be drawn to determine which three (or two) of the five are to receive four-year terms.

Today's "Remember When" picture was loaned to us by Mrs. Frieda Wirtz.

NOTICE

There will be a special meeting of the Antioch High School Board on Wednesday, April 12 at 7:30 P.M. in the Board Room. The votes will be tallied.

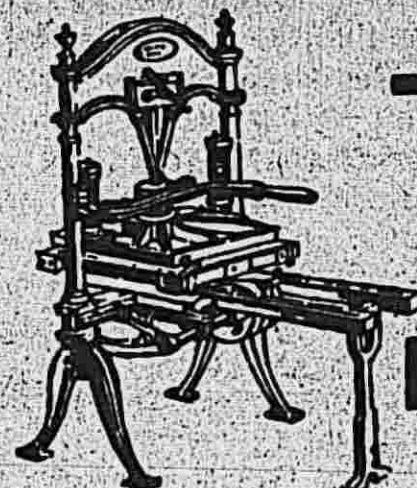

COTILLION TICKETS AVAILABLE AT BANKS, S & L, AND THRIFT SHOP

Tickets for the Seventh Annual Antioch Mental Health Cotillion are now available at the State Bank of Antioch, The First National Bank and the Antioch Savings and Loan Association.

This gala annual event will be held on Sunday April 30th at the Arlington Park Towers in Arlington Heights, Illinois. A marvelous evening of fun and sociability will be in store for those persons who plan to attend the dinner dance.

Tickets cost \$12.50 per person. Cocktails will be served at 5:30 P.M. accompanied by scrumptious hot and cold hors d'oeuvres. The dinner menu will be highlighted by prime ribs of beef, a specialty of the house. Music for dancing will be provided by the Scotch Lads with a surprise entertainment attraction also to be offered.

All proceeds will be used by the Antioch Mental Health Association for their various charitable works.

The Time Machine

70 YEARS AGO - APRIL 10, 1902

"Born to Mr. and Mrs. J.J. Moran, Saturday, March 30, 1902, a ten pound baby boy."

NOTICE:

"Have your sheep shorn and your horses chipped by the latest improved machinery. I have bought the latest machine and am prepared to do work quicker and better than in the old way."

"Mr. and Mrs. J.W. Blair returned last Friday from Delavan, Wisconsin where they attended the 50th anniversary celebration of the Deaf and Dumb School."

40 YEARS AGO - APRIL 14, 1932

"Mrs. Eugene Hawkins was hostess to the members of her bridge club at her home Tuesday afternoon. Prizes were won by Mmes. Ralph Thompson, I Haynes, and John Horan."

An audience of 250 applauded the acts of the Minstrel show presented by the Ladies' Guild of St. Ignatius Church at the high school auditorium Thursday night. Melodies, jokes, and impersonations were put on by 50 musical performers and comedians.

30 YEARS AGO - APRIL 9, 1942

Mrs. Ida May Kufalk, first woman in the history of the school to seek the office of Board President, runs unopposed for the post. Adolph G. Simon and Mrs. Myrtle Klass are also running unopposed for positions on the board.

A colorful new floor and a new ventilation system has been put in the Antioch new school library.

Permission to operate a motor bus service from downtown Chicago to the Illinois-Wisconsin state boundary on Highway 83-21 was granted this week by the Antioch Village Board and Lions Club.

20 YEARS AGO - APRIL 10, 1952

The Antioch American Legion post observed it's twenty-fifth anniversary last Thursday evening with a beef dinner.

Along the Way with *Annie Mae*

Have you purchased your tickets for the Antioch Mental Health Cotillion as yet? If not, give a call to ticket chairman, MRS. GUS COSTOFF - 395-1301 or MRS. RAY LORENZ - 395-1152 OR pick up your tickets at either bank in town or the Thrift Shop. Makes it easy for you. An exciting evening is being planned for all who attend. Don't forget the date, APRIL 30th...

Good luck to all the newly elected school board members on their recent elections. (Thanks to all who are retiring, after years of service). Heard CLINTON GLOVER almost had a victory as a write-in candidate at the Antioch Grade School??

MR & MRS T. BARLOW just returned from a weeks skiing vacation in Alta, Utah. Virginia says the skiing was super, and who should be in the same Hotel but a teacher who works with Virginia at the Woodland School. Small world!!!

While mentioning vacations, Florida was the place to be over the Easter vacation. Many area residents just returned from the "sunshine state" are DONNA HARVEY, DON ZEMAN, FRANK & LUCILLE KUECHENMEISTER, STEVE SMOUSE and TOM TOSSEY, and a group of 6 who stayed at the Sillanoff home in Tarpon Springs. NORM HAHN and DON DRAKE chaperoned KENT BARLOW, GORDIE SILIANOFF, MIKE HARVEY and MIKE GUTOWSKI. Besides lots of swimming, the group toured Disneyworld, Cypress Gardens, and the famous Busch Gardens in Tampa. All the guys are sporting beautiful tans!!

Lots of family birthdays this week: MRS MIKE GROSS, April 13 and daughter PATTI, 17th; Lou CRAWFORD, 17th & son MARK, 16th; WAYNE & KATHY SOBCZAK, Husband and wife, 16th & 17th respectfully; others are, April 12, MARY HALLETT & EDDIE POULOS; 14th MRS MAME HUNT & April 17th MRS HARRIETT PIRSON, and DAVE GUTOWSKI.

April is really the month for birthdays. A belated April 4 birthday goes all the way to Hawaii to MIKE DESTEFANO. Mike is out to

Sea - but hopes to be back in home port soon. He and his wife NANCY are expecting No. 1 in July. Other birthday wishes go to HELEN ZELEN on the 14th - and to WALLY ANDERSON and JEANNINE ANDREWS on the 15th; to JOE DESTEFANO on the 17th and KEN SMOUSE on the 18th.

Speaking of KEN SMOUSE, he and his wife, BETTY, celebrated their birthdays together by "getting away from it all" this last weekend. They spent Friday night at the Arlington Towers and enjoyed being entertained by LLOYD PETERSON who is singing with the Lamplighters. Betty, whose birthday was April 4, was presented a little birthday cake and the group sang "happy birthday" to her.

TOD & CAROL MAPLETHORPE, PAUL, RUTH, and JULIO SANCHEZ spent the Easter holidays visiting family in Geneseo, Ill. With all the fun and frolic - Paul said they still have another days work on the woodpile for "next time".

Thirty five years was celebrated this weekend by MR & MRS FRITZ WAGNER. Open house was the order of the day at daughter DONNA and son-in-law JIM SMITH's house. Congrats!

HELP!! Are there any "stray" Unitarians in the area? Since there isn't a Unitarian Church in the Antioch vicinity - a recent resident is looking to share Sunday rides to Church or to develop local sessions. Anyone interested - please call the News office 395-5554 and we will get you in contact with each other.

Welcome back to RANDY ABEAR of Grass Lake. Randy is the son of SUE HORTON and he arrived home from Viet Nam just recently.

O K PARENTS, show the kids you care. Lets have a big turnout for the last PTA meeting of the year at the High School, Wednesday 7:30 p.m. An interesting program is being planned.

Even though the weatherman isn't cooperating with us, the baseball season is upon us. Boys, don't forget to sign up this Saturday at the

Scout house from 10 a.m. til 4 p.m.....

Batter up,
Annie Mae

Plans For Cotillion Aired On WKRS

A special radio luncheon show will be aired on station WKRS Friday, April 14th. The show will take place at 11:30 A.M. at the Country Squire. Mrs. Matson from the Grove School in Lake Forest will be the main speaker. The Antioch Mental Health Cotillion committee will be their to discuss the latest plans and hopes for the Grove School Building Program. The conversation will be most interesting and informative.

For further details call 395-1177.

Woman's Club Appoints Nominating Committee

The regular meeting of the Antioch Woman's Club was held on April 3rd. The nominating committee was appointed to select candidates for officers for the coming year. The committee consists of: Mrs. Norman Jedele, chairman; Mrs. Joseph Horton, Mrs. Clarence Olson, Mrs. W.C. Petty, Mrs. Fred Holbert and Mrs. George Hahn.

Plans were made for the Club's annual tour and luncheon. The group will go to Chicago by bus to visit the John Hancock Building. Later, they will meet for luncheon at the Kon-Tiki.

Mrs. Don Mentone presented as the program, Miss Muel Bach in "One Woman Theater". The title of her presentation was, "Madam, Your Influence is Showing." She assumed the role of mother of four famous men: The Wright Brothers, John

Wilkes Booth, Ghandi and Arthur Compton. As each mother, when she talked to her son, Miss Bach depicted the strong influence she had on her son and future events in his life. By costume, facial makeup and voice, Miss Bach became an entirely different personality. The characters were very skillfully portrayed.

Miss Marguerite Snider and her committee served refreshments.

Instead of the regular Antioch Woman's meeting on April 17th, the members will go on their annual tour and luncheon.

All of those people who plan to go will meet at 8:30 a.m. in the village parking lot to take the bus. It is necessary to have made a reservation. The destination is Chicago - The John Hancock Building and luncheon at the Kon-Tiki-April 17th.

COUNTY JAIL INSPECTION REPORT AVAILABLE

Tryouts Open For Next PM&L

Production

PM & L will hold tryouts at the theatre on Main street on Sunday, April 16th at 8:00 P.M. The parts being offered are for the play "Arsenic and Old Lace". This is a regular season production and will run for five or six nights.

Newcomers are welcome, we would really like to see some new faces.

Attend Diving Symposium

Bernie and Shirley Gutowski made a full day Saturday in Chicago by attending the annual "Our World Underwater" show at the Medinah Temple. The day and evening were spent viewing many interesting and exciting slides and movies pertaining to skin & scuba diving, underwater photography, & underwater plant life, fish and habitats.

Many prominent speakers were on the program. Among them was Dr. Sylvia Earle Mead, a famous underwater scientist who participated in the Teklite II Experiment where 5 women lived underwater on a reef, 9 fathoms underwater for 2 weeks. This experiment took place last summer off the St. John Island, Virgin Islands.

A large number of divers from northern Illinois attended the all day session. Bernie is a member of the Century Diver's Club from Lake Villa.

SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

Engagement Announced at Cousins Party

The annual "Smart Clan Cousins party", given Saturday, the 8th of April, by Janet and Bill Brook, turned out to be a special one indeed.

Mike Murrie (2nd generation) happily announced his engagement to Miss Bonnie Weyand of Chicago. In honor of the occasion the champagne bottles were brought out and a "toast" was made to the young couple.

Those attending the annual

affair at the Bill Brook home were - Louise and "Red" Murrie, Feey and Cheryl Weiss, Chuck and Helen Smith, Jack and Sarah Fields, Jim and Gail Fields, Kathy and Tom Quilty, Mary and Tom Haviland, the Smart twins from Waukegan - Bill and Mary Smart and Judge Bob Smart, and 2nd generation Bill and Marilyn Slater. Joan and Ted Larson played "cousin" for the day and also attended the gala assemblage.

"Wait Until Dark" May PM&L Production

PM & L's spring production of the mystery drama "Wait Until Dark" will be presented on May 5, 6, 12, 13, 19, and 20 at the PM & L Theatre, 877 Main St., Antioch. Curtain time is 8:30 P.M.

This is the third production of Season II and was originally scheduled to open on April 22. The date has been postponed for several reasons with the largest one being the

application of a new roof to the PM & L Theatre. No more leaky roof for cast, crew, and audience!

Don Beveroth is directing "Wait Until Dark" which is a masterfully constructed thriller which moves from one moment of suspense to another as it builds to an electrifying, breath-stopping final scene. Make your reservations now by calling 395-9702.

Jaycees Hold Membership Meeting

The Antioch Jaycees will hold an open meeting for prospective members at the Angels Restaurant (1 mile north of Antioch) on Wednesday, April 12th, at 8:00 p.m. ALL men between the ages of 21 to 35 are invited to attend.

The Jaycees is a service oriented organization dedicated toward the ideal of improving the community. If

you are interested in contributing to the welfare of Antioch and at the same time having a lot of fun doing it, then the Antioch Jaycees might be for you. If you are mildly interested in the Jaycees, stop by Wednesday night and find out what they are about.

FREE beer will be available.

On April 15th, Mrs. Frieda Wertz was the honored guest of the Lakeside Rebekah Lodge No. 82, at a party for her 90th birthday. Helping Mrs. Wertz celebrate were Addie Horton (right) and Ollie Tweed. (Staff Photo)

Blueprint For Happiness In Marriage

Although it may seem so, this is not a fairy tale! How would you like to have a blueprint to happiness in marriage - to know how to cause a man to cherish you and offer you his true devotion? It's available under the title Fascinating Womanhood, a course of study which maps the way to supreme happiness in marriage.

The course gives a woman the secret of becoming a fascinating woman. She can learn how to understand men, their needs, characteristics, sensitivity and masculinity. She learns how to react to her husband's different moods and feelings in order to build up his confidence and respect in himself. It tells how men look at women and how women can

understand men. It tells much more in giving the "key to a happy marriage."

The teachings bring to light the fact that a man's needs are often overlooked by women. Whereas a woman basically craves love and affection a man on the other hand basically needs admiration from his wife.

Leading educators, jurists, marriage counselors, clergymen and sociologists endorse the concepts of Fascinating Womanhood. Because of the many inquiries, Mrs. Michael Warren, the class instructor, is happy to announce the opening of an extra class. Registrations are now being accepted through April 17th. For more information call (312) 395-1765.

Warm And Wonderful Cobbler

What do peaches, pears, grapes, pineapple, cherries and whole bran cereal have in common? They all go together in a deliciously tempting Fruit Cocktail Cobbler that's straight from Kay Kellogg's list of quick and easy desserts. Fruit cocktail is combined with a dash of orange peel and crowned with tender, muffin-like bran biscuits. Serve warm from the oven, golden brown and bubbling with light cream, whipped topping or a generous scoop of vanilla ice cream.

FRUIT COCKTAIL COBBLER

- | | |
|---|--|
| 1/3 cup firmly packed brown sugar | 1 egg, well-beaten |
| 3 tablespoons cornstarch | 1/2 cup milk |
| 2 17-oz. cans (3 1/2 cups) fruit cocktail | 1 cup sifted regular all-purpose flour |
| 1/2 teaspoon grated orange peel | 2 teaspoons baking powder |
| 1/2 cup whole bran cereal | 1/2 teaspoon salt |
| | 1/3 cup granulated sugar |
| | 1/4 cup soft shortening |
- Combine brown sugar and cornstarch in saucepan; stir in fruit cocktail and orange peel. Cook over medium heat until bubbly and thickened, stirring constantly. Spread evenly in ungreased 9 x 9 x 2-inch baking pan. Set aside.
 - Measure whole bran cereal, egg and milk into mixing bowl; stir to combine. Let stand until most of liquid is absorbed.
 - Measure flour, baking powder, salt and granulated sugar; sift together into mixing bowl. Cut in shortening until mixture resembles coarse cornmeal. Add whole bran cereal mixture, stirring only until combined. Drop by spoonfuls, spacing 1 for each serving, over fruit cocktail mixture.
 - Bake in moderately hot oven (400°F.) about 25 minutes or until cobbler is lightly browned. Spoon into dessert dishes and serve warm.
- Yield: 9 servings.

Bucar Named To Advisory Committee

Dr. Albert A. Bucar has been appointed by Governor Ogilvie to serve on the Illinois Advisory Committee to the Health Care Licensure Commission.

The Commission is charged with studying the status of

licensure and regulation in Illinois as it affects the health care delivery system and with career entry and progression in the health care field. It also studies and makes recommendations for legislation in these areas.

Dr. Bucar, of 395 Orchard St., Antioch, is a practicing optometrist and chairman of the American Optometric Association national committee on Public Health and Optometric Care. He is a past president of the Illinois

WEDNESDAY APRIL 12, 1972 THE ANTIOCH NEWS Page 9
Optometric Association, Fellow of the American Academy of Optometry, and president of Illinois Vision Services, a group insurance program for providing vision care services to wage earner in labor and management.

He also is past president of the Antioch Lion's Club, member of the community

high school Board of Education and member of the Lake County Health Services Planning Commission. In 1970, he was named Illinois Optometrist of the Year by the Illinois Optometric Association.

Dr. Bucar and his wife Phyllis, have two sons, James and Bruce.

american legion auxiliary news

The 10th District "Juniors" of the American Legion Auxiliary will be holding a meeting on Friday, April 14th, at the Round Lake American Legion Home, at 8:00 P.M. The meeting will be conducted by district junior president, Laura Brown of North Chicago. According to Mrs. Ray Rathmann, Antioch, district junior activities chairman, all Juniors who have contest entries for state competition should bring them to this district meeting for judging. The entries must be judged first in the district before they can go into state competition.

"It's GOLDEN MIKE AND GOLDEN PRESS AWARDS TIME AGAIN" Mrs. Edward Jahneke, Antioch, district communications chairman, says. "The Golden Press Awards were established by the national communications committee of the American Legion Auxiliary in 1968, with the thought that recognition should be given to newspapers who are doing an outstanding job in the interest of youth. Two Golden Press Awards will be presented for the best local newspaper program written 'In the Interest of Youth' in the categories of 1. Best Editorial; 2. Best Feature Article or a series of articles exploring the same subject, in preference to a group of articles on unrelated subjects."

Newspapers are invited to submit entries that have been printed between May 1, 1971

to May 1, 1972. Entries go to Miss Rose Marie Loparco of Chicago, State Communications Chairman. Application blanks may be obtained from Mrs. Jahneke.

The Golden Mike Awards were initiated in 1957 by the American Legion Auxiliary in support of the American Legions' Child Welfare Resolutions calling for emphasis on juvenile decency over juvenile delinquency in the nation's communications media.

Two Golden Mike Awards will be presented to the best local radio program "in the interest of youth"; and to the best local television program in the interest of youth. Radio and television stations are asked to send in entries to Miss Lo Parco. Entries must represent a series of four or more programs aired on radio or television between May 1, 1971 to May 1, 1972. All entries are judged within each state, and the winners are sent by June 1st, 1972 to a national committee of judges to determine the national winning series.

The Golden Press and Golden Mike Trophy Awards will be presented the winning communications media at the state and national conventions of the American Legion Auxiliary. Both conventions will be held in Chicago this summer.

Mrs. Jahneke has the applications for these awards and any further information that may be required.

ABBOTT PROMOTES DR JOHN BARLOW

Dr. John L. R. Barlow has been promoted to medical director in the international division of Abbott Laboratories.

Dr. Barlow joined Abbott in 1966 as medical associate in the international division. In 1970 he was promoted to medical manager, pharmaceutical products, international division.

Born in Skipton, Yorkshire, England, Dr. Barlow received his formal education at Epsom

College, Surrey; Queens' College, Cambridge, and Middlesex Hospital, London.

He is a member of the British Medical Association, the Royal College of General Practitioners and the Drug Information Association. He has taken residencies in internal medicine, general surgery, orthopedics, and obstetrics and gynecology.

Dr. Barlow and his family live in Antioch, Illinois.

Social Notes

by: Del Jahneke

Mrs. Frieda Wertz was the honored guest at the Lakeside Rebekah Lodge No. 82 meeting, held April 15th, at the Antioch American Legion Home. After a brief meeting conducted by Mrs. Clarence Larson, Noble Grand, the party took place for long time member, "Frieda". Mrs. Wertz, who is 90 years young, received a beautiful corsage and a bun basket filled with gaily colored plastic eggs - inside each egg was a little "nest egg" filled with the long folding green! There were extra guests from the Waukegan Rebekah Lodge, and Mrs. Gertrude Bessette from Jackson Hole, Wyoming. Mrs. Bessette is the mother of Reverend T.A. Bessette of St. Ignatius Episcopal Church. BELATED BIRTHDAY CONGRATULATIONS, FRIEDA!

The Ray Rathmann's of Oakwood Knolls attended a "family and friends party" at the home of Mr. and Mrs. Don Schnoor's in Dolton, in honor of her son, Jim. He will soon be leaving to serve with "Uncle Sam's Finest!" On route there, they detoured to the Palmer House in Chicago, to pick up their daughter, Susan, who had been in Chicago with the Cadette Girl Scout Troop No. 213. Mrs. Schnoor and Eunice Rathmann are sisters. A pleasant time was had by all!

Junior Girl Scout Troop No. 144 enjoyed a roller skating party at the Zion Skating Pavilion on March 26th. The girls, all sixth graders, have been busily making plans for their "fly-up" ceremony to be held in early May. The entire troop will be joining Cadette Troop No. 213, under the direction of the Richard Maston's. Helping these girls prepare for their "BIG DAY" is their leader, Mrs. Miles Zimmerman; and her co-leader, Mrs. Shirley Kasik. GOOD LUCK AND SUCCESS IN ALL YOU DO, GIRLS!

On March 25th, the Michael Wojnowiak's, daughter, Sherry, and son, Jack; accompanied by the Henry Nohava's and son Scotty (all from the Grass Lake area) flew the 747 non-stop directly to Honolulu - exactly ten hours flying time, and they all said it was terrific traveling! At Honolulu, they visited the huge Polynesian Culture Center, seeing the native villages of the seven cultures making up the Polynesian race - Samoan, Fijian, etc. Except for poi, they thoroughly enjoyed eating all the delicious Hawaiian food. Five days were spent at famed Waikiki Beach, where the children went surfing and loving every minute of the excitement of "riding the waves"! Island hopping to Kauai, by small plane, and another delightful excursion. They took the beautiful Wailua River Cruise, where the natural acoustics were a constant echo. On to the island of Maui, where everyone went bicycling, with Jack and Scotty sharing a tandem for the first time. A ride on a small railway car (the only railway in the Hawaiian Isles) where they toured miles and miles of sugar cane plantations. Next was a helicopter ride through Waimea canyon, a new and novel way to view more of the scenic

beauty there. A complete change of scene occurred when they visited a whaler's village - at one time, many nations were in the whaling trade, but that trade is non-existent in this area now. At Hawaii, they toured the Kona coast, seeing the surface of the volcano at Hilo. A bus trip right to the crater floor of Kilauea crater, where they saw and smelled powerful fumes arising from fissures. This crater last erupted in December, and will take ten years to "cool off". However, while a volcano destroys the flora and fauna, homes, etc., it also adds another 500 acres of land that in time and with organic aids builds up the land area. All of them were most impressed with the Parker cattle ranch, 2nd largest such ranch in the world. The largest cattle ranch is the King's ranch in Texas (naturally!) There were 13,000 cattle at Parker Ranch.

Orchids, orchids everywhere, and a large variety of exotic blooms were on display at the Orchid Anthurium Nursery - all were given lei's of these fragrant, fragile flowers. Walking through the gardens surrounding the nursery was another feast for the eyes!

Rainbow Falls entranced them with its iridescent rainbow hues playing on the crystal clear plunging cataracts.

Another volcano claimed their attention - the Halemauuan fire pit, where they again gazed into this awesome wonder. They ate lunch at the Volcano House, and afterwards strolled through the Tree Fern Forest, which they called fantastically beautiful. Now all good things must come to an end, and they left Hilo April 5th arriving here the next day! What a welcome we gave them! From sunny Hawaii in the 80's to - well spring-like April!?!

Easter vacation sure was nice but now its over so we have to get used to the old schedule again. UGH - 6:30 in the morning! You sure can tell all those lucky kids who took off for the holiday. All those tans - and what do we get here for vacation - snow!

The cast for the spring musical OF THEE I SING had a long day Sunday. The day was spent jogging memories and getting the show in shape for performance which will be in two weeks, April 21 and 22. The show is a political satire and should be pretty entertaining so keep one of those dates open to come and see it.

Congratulations to MIKE KNOX and JOHN QUINN who were awarded \$75 scholarships at the D.O. Banquet last Wednesday night. The banquet is an annual affair to honor the student workers in the D.O. program. Everyone enjoyed themselves as a delicious roast beef dinner was served.

Next weekend will be a busy one for the BAND members. Friday night is their annual spring concert then Saturday they move on to contest. Please come out and support them at these performances.

Good luck to LAURA KESSLER who is in the hospital this week to have surgery done on her feet. We hope everything will work out alright for her!

Heard DAVE OELERICH went to a special doctor over vacation - Congratulations tinsel teeth!

CATHY GRUENWALD had a lot of weight taken off her arm and her mind over vacation. Now she doesn't have to worry about having her cast on her arm during the play.

See you next week
Barb

Channel Lake Chatter

CHANNEL LAKE CHATTER

The Easter holiday was a little happier at the Ken Anderson home last weekend. Faye Anderson's parents, the Lawrence Johnson's spent the weekend with the family. One of the highlights of the visit was a family breakfast for 14 on Sunday morning.

Pat Harland celebrated her birthday last Tuesday evening with her family at the Joe Gutowski household for a birthday dinner. Stopping in after dinner for cake and coffee, much to her surprise were Bob and Lorraine Lemke, Skip and Carol Whitton, Dorothy and Ray Enzenbacher and Barb Bjork minus her husband Don who was on the sick list. An enjoyable evening was had by all and Pat's birthday surprise was very successful.

Chicken pox is still going strong in our area. New patients are Jackie Bjork, Brenda and Andy Runyard, Dana Behrens and Edie Teslow. Get well soon kids! By the way, mothers, rumor has it that measles is beginning to make the rounds.

On Monday evening all the

grade school PTA's, Channel Lake, Oakland and Antioch held meetings to receive questions and recommendations from concerned parents regarding the 1972-73 budget and program cuts in our school district.

Two representatives were elected from each school to comprise a panel to take this information before the Administration and or the Board of Education.

A similar meeting will be held tonight (Wednesday) at the Upper Grade School at 7:30 p.m. Anyone unable to attend the earlier meetings are welcome to attend.

Let me know the news!
Louise

Ron Turzy Performing with EIU Jazz Band

Among students performing with the Eastern Illinois University Jazz Band is Ron Turzy from Antioch, Illinois.

The band, directed by Peter Vivona, will make its annual spring tour of Illinois high schools on April 13-14. Following four concerts in the Chicago area, the band will participate in the Central States College Jazz Festival at Kansas State University

Final High School PTA Meeting

The Antioch High School PTA will be holding their final meeting of the year Wednesday, April 12th in the Commons. After a short business meeting, the new slate of Officers will be presented.

They are: President, Mr. Gilbert Krahn, Vice-President, Mr. Martin Vasek, Secretary, Mrs. Doris Surrock, and Treasurer, Mrs. Arlene Crawford.

The second annual Art Fair will be in progress. Awards will be presented to the winners of

the Art Fair. All the projects will be on display.

The parents will also be able to view demonstrations in 7 different courses. They are - Woodshop, Electronics, Metals, Driver Simulators, Reading Laboratory, Office Practice & Machines and the Physical Education - Weight Machine.

The various demonstrations will be operating continuously for one hour and adults can spend as much time as they desire at a few or all.

Immediately following the demonstration programs the parents will report to the commons again for refreshments.

Remember the time, 8:00 p.m., and bring a friend.

KAREN SCHLEUSENER RECEIVES SCHOLARSHIP

Karen Schleusener, daughter of Mr. and Mrs. Roland Schleusener, 1015 Victoria, Antioch, Ill. has been awarded a Lutheran Campus Scholarship for the 1971-72 school year from Aid Association for Lutherans, a fraternal insurance society with home office in Appleton, Wisconsin.

She is a student at St. Olaf College, Northfield, MN, having graduated from Antioch Community High School, Antioch, Ill. She is a member of Good Shepherd Lutheran Church in Lake Villa.

New Weight Watchers Club Established

Weight Watchers of Metropolitan Chicago has established a new location where overweight men, women and teenagers in Lindenhurst may participate in the Weight Watcher program of losing unwanted overweight and - keeping it off.

Trinity United Methodist Church, at Beck Road and Valley Drive, will be the site of lectures at 10 a.m. and 8 p.m., each Monday.

The Weight Watcher

program has been described as "some talking and some listening in a program that works."

Many participants have lost 20 to 30 pounds - others from 200 to 300 pounds - of unwanted fat, and they manage to keep their "goal weight" on the Weight Watcher maintenance plan.

The lectures are designed so that new members may join at any time in a continuing Weight Watcher program.

Obituaries

MRS. FLORENCE B. DeYOUNG - 83 yrs old of Millburn passed away on Thursday April 6th at her home on Kelly Road. She was born October 14, 1888 in Bear Lake, Michigan and moved to Waukegan as a child, then to Millburn in 1929. She had been spending her summers at Black River Falls, Wisconsin for the past 15 years. She is a member of the Royal Neighbors of America Lodge. Mrs. DeYoung had been employed for several years at Great Lakes Naval Supply and retired from his occupation 23 years ago. She had married Christian DeYoung on November 22, 1914 at Waukegan.

Survivors are her husband Christian - 2 sons Frank J. DeYoung and George C. DeYoung (Both of Lake Villa) - 3 grandchildren. She was preceded in death by 1 brother Earl Whidden.

Funeral services were held at 1:30 P.M. Saturday at the Strang Funeral Home in Antioch, Illinois. The Rev. L.H. Messersmith of the Millburn Congregational Church will officiate. Interment was in Millburn Cemetery.

MR. THOR PETERSON - 69 yrs old of 408 1st Ave Holiday Garden Estates, NewPort-richey, Fla., died April 5. He was a native of Sweden and a resident of Florida for 2 months. Thor and his wife came from Antioch Illinois where he was an electro Lux Vacuum salesman. He was a charter member of St. Stephen's Lutheran Church in Antioch.

Survivors are his wife Hjordis and one son Keith who is presently attending the university in DeKalb, Illinois.

"Tell It Like It Is"

The Westosha Clergy Association is sponsoring a ninety voice choir of young people on Friday evening, April 14, at 8:00 p.m. in the Wilmet Holy Name Center, Wilmet, Wisconsin.

"Tell it Like it Is" is a folk musical about God: who He is, how He reveals Himself, and what He is like. It presents some of the problems with which we are confronted when we believe in Him and stresses the importance of living Christianity day by day. It begins with a search for TRUTH - acknowledges that God, in love, sent Christ to be that TRUTH - and having accepted this TRUTH, challenges both performer and listener to "Pass It On".

The "Tell It Like It Is" performers began with fifteen young people from the Waterford area, grew to ninety, and touched the lives of many more as the dream of a student became a reality. The young people of the area needed something constructive and worthwhile to become involved in when Dick Amundsen, a college junior, introduced them to "Tell It". Though twelve area churches and eight denominations were represented, all were drawn together as brothers in Christ. From this grew Bible studies in homes and small folk groups for singing at Sunday Worship services. Through these gatherings, the eyes of both adults and teenagers were opened to new sights and often changed the outlook of the old.

Following the folk musical there will be a time of refreshments and fellowship with those that performed. You can't afford to miss this great ecumenical endeavor.

Christian Science Churches

How do we learn about God? This question will be considered Sunday at Christian Science Church services in a Lesson-Sermon entitled "Doctrine of Atonement".

The Bible says "Seek ye me, and ye shall live". In Science and Health with Key to the Scriptures by Mary Baker Eddy we read "The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible to God, - a spiritual understanding of Him, an unselfed love."

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11 A.M. All are welcome.

Republican Women Honor Congressman McClory

Plans are underway to launch an intensive effort by the Illinois Federation of Republican Women in each of Illinois' 24 Congressional districts to support Republican candidates in the November election.

Illinois Republican Women in the 13th District plan a luncheon to honor Congressman Robert McClory, 13th District Representative at 12 noon on Wednesday, April 19 at The Chateau Louise, Dundee.

Mrs. Frank Kenney, Barrington, past Illinois Republican Women president and the current community service chairman for the National Federation of Republican Women, is assisting

with the arrangements and said the sponsors are delighted to announce that Mrs. Norman Armitage, current president of the National Federation of Republican Women, will be the keynote speaker.

Mrs. Dallas Watson, president of the Illinois group, will serve as coordinator and introduce the honored guests. "Volunteer women need to gather and hear plans and offer their ideas. They enjoy being consulted and become a more active part of today's living," said Mrs. Watson.

"In visiting with other members in the district they develop friendships and a strong spirit. Members of our group have a vital role in the Republican party."

"Because of the prominence

of our speaker, we are inviting all women to join us for this luncheon. She is one of the most prominent women in the United States today."

Mrs. Herbert Kazmer, Algonquin, is in charge of tickets.

Mrs. Armitage is a member of President Nixon's 27-person advisory council on European Affairs. She has been involved in precinct work since her early teens and has been active in presidential campaigns since 1952. She has served as alternate or delegate to national conventions.

A holder of Fellowships and scholarships in Chinese and Arabic from the American Council of Learned Societies, Mrs. Armitage is listed in various "Who's Who" volumes for politics and linguistics. She was associate professor of art history at Wofford College when she was elected to the National Federation Presidency last October.

Health Care Problems Discussed

The responsibility of physicians, the government and patients themselves in solving today's health care problems will be discussed by the state's top medical spokesman here Tuesday April 11th.

Dr. Frank J. Jirka, Jr., President of the Illinois State Medical Society, will address the Lake County Medical Society at 6:30 p.m. at the Swedish Glee Club.

Health care problems such as the need for health care planning and rising costs of care will be discussed by Dr. Jirka. He will also touch upon the Lake County physician

shortage.

Dr. Jirka's appearance is in conjunction with the state medical society's "President's Tour" which will take Dr. Jirka to major population centers in Illinois during the coming year.

Dr. Jirka, a practicing urologist, became president of the 10,600 member state medical society on March 10th.

A 5:00 p.m. press conference will precede the meeting. Dr. Jirka and Dr. John Andrews, Waukegan, president of the county medical society, will host the press conference at the Glee Club.

HAMMOND ORGAN SOCIETY MEETS

The Hammond Organ Society of Lake County will hold its regular monthly meeting on Tuesday, April 18, at the Gurnee American Legion Hall, 7:30 p.m.

A musical treat is planned for the group to be entertained by an organist and a drummer. The organist is Bob Parris and the drummer is Mike Lee, both have been engaged for several months at Pierre's Village Inn. Anyone who has heard these two professionals knows that they are masters in their own fields.

New officers were elected in March as follows: Patrick O'Shae, President; Charles Wise and Mrs. George Simnick, Vice Presidents; Mrs. Harold Jackson, Secretary; and Mrs. Vincent Lusch, Treasurer.

The Society meets on the 3rd Tuesday of each month at the Gurnee American Legion Hall and the public is always invited.

"Of Thee I Sing"

H.S. PRODUCTION - APRIL 21 AND 22

On April 21st and 22nd the Antioch High School Fine Arts department will present the George S. Kaufman - Morrie Ryskind production of "Of Thee I Sing".

The play is a farciful, satiric look at two particularly American institutions: politics and beauty contests. The action revolves around the election and near impeachment

of "president" John P. Wintergreen.

Musical arrangements for the lively production were written by George and Ira Gershwin.

The lead role of Wintergreen is portrayed by Bill Beese. His wife is played by Jean Oelerich, Vice President Throttlebottom is portrayed by Steve Albright.

Hough Vocalaires Musical This Week-end

The Hough Vocalaires who are sponsored by Hough Division of International Harvester Company have in their 22 year history helped raise over \$60,000 for area organizations and projects. One of the main recipients of the proceeds during the last few years has been William K. Robbins Memorial Bandshell where free concerts are presented every Thursday night throughout July & August by both amateur and professional musical organizations.

So for a family type musical which includes music for everyone's taste plan to attend the 22nd annual spring musical "Swing Into Spring" of the Hough Vocalaires.

Tickets may be obtained at the door. A donation of \$1.50 for adults is being asked and

children 12 and under will be admitted FREE.

When the house lights dim and the curtain rises the spotlights will shine on the 22nd annual spring musical of the Hough Vocalaires. The title "Swing Into Spring" April 14-15-16 are the dates, 8 P.M. the time and the place will be Libertyville's High School new auditorium.

Under the direction of Arthur Quinn of Chicago the 50 voiced Hough Vocalaires will present such songs as "The Moment of Truth", "If You Never Come To Me", "Stompin' At The Savoy", "Day By Day", "Bridge Over Troubled Waters", and "Cute". One of the highlights of the evening will be when the Vocalaires present a choral salute to the great Duke Ellington singing some of his greatest hits such as "Mood Indigo", "Caravan", "Satin Doll", "Don't Get Around Much Anymore", "Solitude", "Sophisticated Lady", and "In A Sentimental Mood".

Members of the cast include: Randy Tobias as Louis Lipman, Ken Scheske as Francis X. Gilhooley, Michael Ament as Matthew Arnold Fulton.

Others include Donald Barlow as the French ambassador, with Ellian Menges, Kandy Shute, Lynne Sterbenz, Fran Collete, Mary Palaske, and Sandy Herbert as French females. Other characters portrayed include Sam Jenkins, played by Gary Rush, Miss Benson, played by Elda Minger; and Chief Justice of the Supreme Court played by Ken Boucos. The nine justices include Gary Thompson, Ricky Smouse, Phil Martinez, Dave Rush, Russ Roberts, Todd Sesser and Rich Olsen.

The beauty candidates are: Taffy Engelhardt, Wendy Stout, Anita Cooper, Fran Henry, Karen Yopp, Barb Polsgrove, Pat Horn, Irene Plouviez, Victoria Babinsky,

Theata Armstrong, Marianne Teresi, Shelley Grunewald, Diane Carole, Kathy Mahoney, Cathy Grunewald, and Mary Steffenburg.

Vladimir Vidovitch is played by Ron Sheedlo; Yussef Yussevitch by John Karczewski, David Mark Oelerich plays the part of Senator Lyons. Other cast members include Terri Marsala, Nancy Schaeffer, Finis Armstrong, Jean Koch, Wanda Springer, Joyce Pachay, Kerry Shute, Kim Shkapich and Dawn Woods.

Tickets are available at the door. Donation is \$1.25 for adults and \$.75 for students and children.

Milton, Stern Re-Elected

Republican Robert Milton and Democrat Herbert Stern were both returned to the county chairmanship of their respective parties on Monday, April 3rd.

Of the two, only Milton had any opposition. However, the eight term chairman had little difficulty, beating challenger David Ganfield of Lincolnshire by a 2-1 margin 16,864 to 7,913. Voting was based on the number of Republican ballots cast in the March 21st Primary.

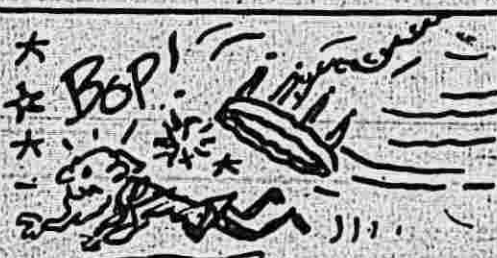

In other top posts, Mrs. Betty Lou Reed, unsuccessful state representative candidate from Deerfield, defeated John Briddle of Highland Park for Secretary of the County

Republican Central Committee. Raymond E. Lindroth of Libertyville was unopposed and reelected as Central Committee Treasurer. All three will serve two year terms.

On the Democratic side of the ledger, in addition to Stern, five persons were unanimously elected. They are: incumbent, Bertha Ogrin of Waukegan, Vice Chairman; Robert Furfkamp of Zion, Treasurer; incumbent, Terry Link of North Chicago, Secretary; Steven Slavin of Deerfield, Parliamentarian; and incumbent, Jesus Arroyo of Waukegan, Sergeant at Arms. All will serve two year terms.

Township of Antioch REPORT OF EXAMINATION For the Year Ended January 31, 1972 NORMAN S. JEDELE Certified Public Accountant Antioch, Illinois

Mr. L. E. Murrie, Supervisor
Township of Antioch
Antioch, Illinois 60002

We have examined the balance sheets arising from cash transactions of
the various funds of the

TOWNSHIP OF ANTIOCH
at January 31, 1972 and the related statements of cash receipts and
disbursements for the year then ended. Our examination included the
General Fund
Poor Fund
Road and Bridge Fund
Black Top Road Improvement Fund
Special Fund - Lagoona Subdivision
Retirement Fund
Grand Bluff Subdivision Road Improvement Fund

and was made in accordance with generally accepted auditing standards
and accordingly included such tests of the accounting records and such
other auditing procedures as we considered necessary.

Accounting records of the Township are maintained on the cash basis
and consequently do not reflect, as income, taxes levied but not yet
received nor expenses incurred but not yet paid. However, our examination
has disclosed no unusual items of either income or expense not reflected
on the Township books.

In our opinion, the attached statements for the funds of the
TOWNSHIP OF ANTIOCH listed above present fairly the financial position
at January 31, 1972 and the cash receipts and disbursements for the year
then ended in accordance with generally accepted accounting principles for
municipalities applied on a cash basis consistent with that of the preceding
year.

Yours very truly,
NORMAN S. JEDELE,
Certified Public Accountant

Antioch, Illinois

Salem Central looks to improve Golf Record

Central High School of Salem, Wisconsin will soon field their 1972 golf team, and while the mood is not jubilant, there is the unmistakable confidence that the squad will improve on their 1971 showing of 5 wins and 7 defeats.

Coach Corm Grams said this year's outlook is uncertain at the moment. "We could be improved later in the year. The loss of Southern Lakes Conference Medalist Bob Poncratz will be a staggering blow." Poncratz transferred to Delevan-Darien High School. Grams has good potential in

ICE POOL GRAND PRIZE WINNER

LARRY MARCHEL was proudly awarded the Grand Prize of the coveted Steitz's Resort Ice Pool.

There were 31 participants vying for the much sought after honor of selecting the exact time and date the ice on Bluff Lake would vanish and the 1972 Boating Season officially would arrive.

Astute vigilance on the part of Mr. Marchel enabled him to precisely predict April 6th - 8 P.M. as the moment of the glacial dissipation.

Presentation was made by Mrs. John Steitz, Jr.

returning lettermen Russ Bain, Kevin Sheehan, Bill Watson and captain Jamie Waldo.

Central's first scheduled match is set for Thursday, April 13th.

1972 ROSTER

SENIORS: Bob Lonergan, Kevin Meier, Vern Schotanus, Harold Strandberg, James Waldo.

JUNIORS: Russ Bain, Larry Murphy, Bill Watson.

SOPHOMORES: Tom Jacobsen, Doug Paddock, Kevin Sheehan, Elmer Threlkeld.

FRESHMEN: Steve Bain, Jerry Biehn, Kurt Eckberg, Phil Hall, John Makolandra, Jim McCormack, Paul Nielsen, Pat Pouler, Dick Strampp.

BIG POWER WITH LESS WEIGHT

We've harnessed a tiger to run on the road-and he's powered by Triumph with 650 cc's. His twin cylinders rev up 47 BHP at 7000 rpm. And he's been slimmed down in weight to beef up his performance. Note the new lighter-weight forks, the new, lighter-weight brakes, the new, lighter-weight frame. A tiger that's truly a Triumph.

Golf Prospects A Question Mark

This will apparently be a year of rebuilding for Antioch's Golf Team. With all five starters from last year lost by graduation and no returning lettermen, Coach Roy Nelson will have his hands full.

Seventeen young men have come out and provide Nelson with the raw potential of a good, competitive team.

At this point in the early spring however, the luck for the inexperienced squad has been all bad. According to Nelson, the bad weather "has really hampered us. We haven't been able to get outside much and see just what we can do." To this date, the team has been limited to calisthenics and

conditioning, and has only been able to hit practice balls into a make-shift net.

As to any predictions, Nelson was cautious. "You can't really tell just how good you'll be until you can get outside," he said.

Already one week into the early season, the team was washed out in their first scheduled match on Monday, April 10th. If the weather will cooperate, Antioch's golf fortunes will face their first test on Friday, April 14.

A current roster and schedule follows.

Drije And Jennrich Honored

Greg Drije of Antioch and Karl Jennrich of Lake Villa, both seniors at Monmouth College, have been named to appear in the OUTSTANDING COLLEGE ATHLETES OF AMERICA edition for 1972.

They, in addition to fourteen other Monmouth athletes, were nominated by their head coaches for outstanding athletic achievement in one or more sports. Criteria for selection also included academic and community service and an interest in community activities.

Both Drije and Jennrich were lauded for their feats on the gridiron.

Snow Sets Lake Geneva Race Record

For the third week in a row, HATO Racing Inc., will be trying to get the 1972 season of stock car racing inaugurated this Saturday night, April 15 at the Lake Geneva Raceway.

Attempts on the two previous Saturday nights had to be cancelled due to snow and is believed to be a record number of stock car race cancellations for this reason.

Champion driver Whitey Harris of HATO Racing, who will be operating the stock car racing events at Lake Geneva this year, was asked if the two cancellations had chilled his interests in the new promotional venture.

Harris replied, "In racing you must remember the spirit of the sport itself and this is best identified by a phrase shortened to the letters, RNQ." Saturday night, April 15, when we start racing at Lake Geneva, I'll explain the meaning of RNQ."

HATO Racing will have four groups of stock cars on hand for the big Saturday night programs. Racing will be late model stocks, modifieds, sportsman and spectator stock

NEW DESIGNS FOR TOM ANDERSON

It won't be ready this Saturday night when racing gets under way at Lake Geneva, but Tom Anderson of Antioch will soon have one of the newest designs in modified stock car racing for the Lake Geneva competition. Tom's new car is being built by Future Industries of Antioch. It is a mid-engine car with extremely low profile design. USAC starter Duane Sweeney looks over the new creation with approval.

cars. A new requirement to meet improved safety standards makes it necessary that all spectator type stocks have roll bars and seat belts.

Several Milwaukee area modified stock cars headed by Champion Aaron Solrud are expected as well as many of the local area modifieds headed by IRA Champion Johnny Reimer.

Gates will open at 6:00 p.m. with time trials at 7:00 and

races at 8:00 p.m., provided of course, this stock car racing season has seen its last snowfall.

WAUKEGAN SPEEDWAY OPENS SAT. NITE

The Waukegan Speedway

will officially open its 1972 season Saturday night and Sunday afternoon with late model and hobby stock car racing. Sunday racing will switch to evenings on May 7.

Poor weather has continued to slow improvements at the entrance to the track; however officials say everything should be ready for the opener. In case of threatening weather, fans may telephone the track's information phone at (312) 622-8200 for the latest news.

This weekend's races will count in the 1972 championship point race which will see the top 15 drivers in each division receive cash and trophy awards at the end of the year. The top late model driver will receive at least a \$1,000.00 bonus, while the leading hobby pilot will pick up a minimum of \$300.00.

A field of near 60 cars is expected in the two divisions Saturday with a 30 lap late

model race the featured contest. A number of brand new cars will be seen for the first time Saturday including the 1972 Camaro Z-28 of Tom Reuss, last season's hobby champion.

Other late model drivers expected to be in contention are: Tom Jones, Ray Young, Jim Cossman, Herb Artelt, Ray Freeman, Bob Roper, Al Gutche and Roy Acuff. Cheryl Arndt, leading lady hobby racer last year, plans to make her first late model start this weekend.

Gates will open at 4 P.M. Saturday for practice with time trials starting at 7 P.M. and the first race at 8. Sunday's races will begin at 2 P.M. with time trials one hour earlier.

The Waukegan Speedway is a paved 1/4 mile oval track. It is located 1/4 mile east of Rte. 41 on Washington Street near Waukegan. A 50 lap late model race and a 25 lap hobby race are scheduled for Saturday night April 24.

Speedway Makes Improvements

The scheduled opening stock car races at the Waukegan Speedway have been postponed until Saturday night April 15 and Sunday afternoon April 16 according to an announcement by promoter Gordon Sill today.

Sill cited poor March weather and late snows as problems which have delayed improvements on the entrance road to the Speedway and the parking lots. April 8 and 9 were the targeted openers.

The one week delay will benefit some car owners who are a little behind schedule in finishing their race cars; however many cars are already ready to race and a field of nearly 60 cars is anticipated in the two division opening night.

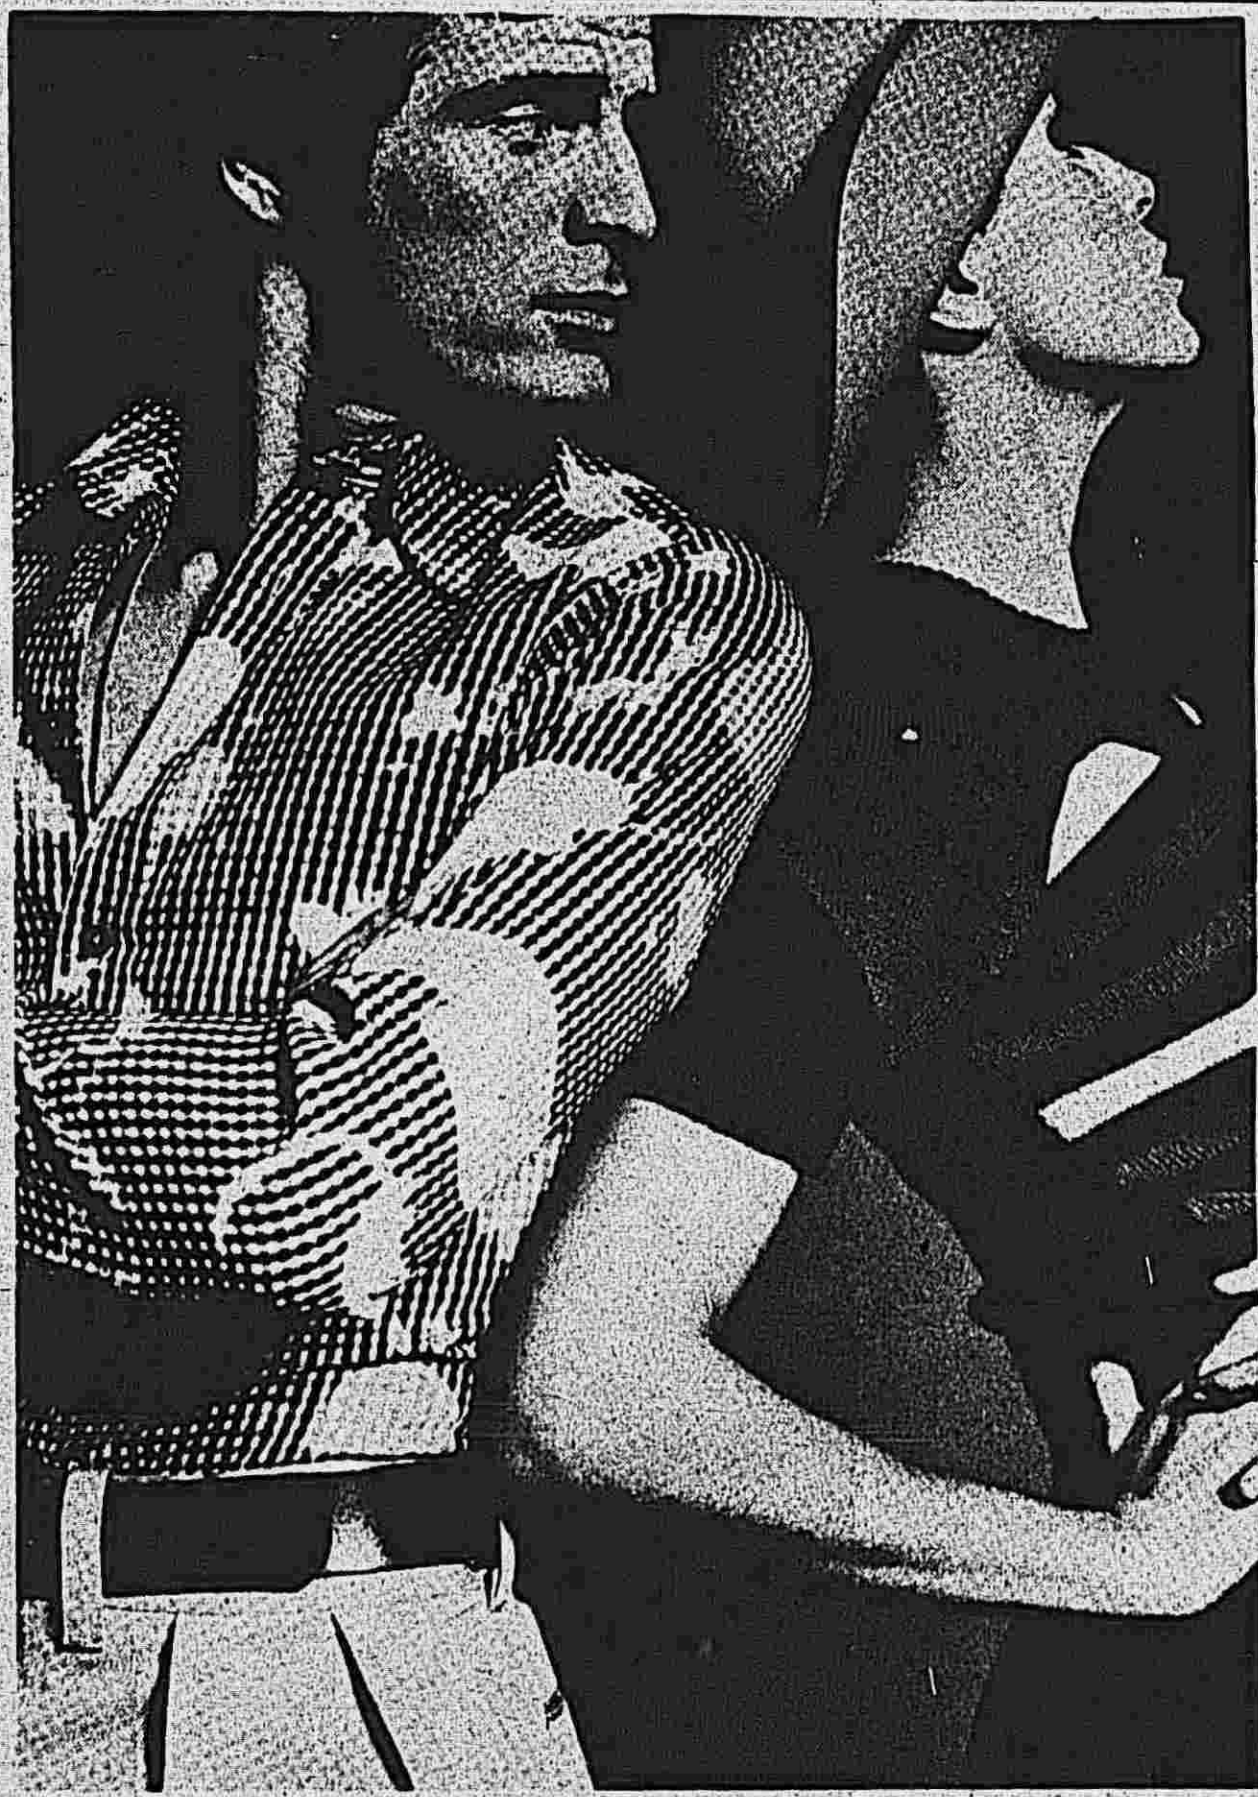

Among the late model drivers ready are: Ray Young ('70 Mustang), Cheryl Arndt ('67 Chevelle), Herb Artelt ('68 Camaro), Lou Clavey ('68 Ford), Harry Cooper ('69

Ford), Tom Musgrave ('64 Ford), Chuck Chadwick ('67 Chevelle), Roy Acuff ('67 Chevelle), Al Gutche ('70 Ford), Tom Jones ('70 Chevelle), Ray Freeman ('70 Camaro) and Tom Reuss ('72 Camaro). Jim Cossman ('68 Chevelle) and Bob Roper ('72 Chevy II) are still working on their cars hoping to be ready for the first races.

The Speedway is located 1/4 mile east of Route 41 on Washington Street near Waukegan. Saturday's races will start at 8 P.M. and Sunday's events in April will begin at 2 P.M. and then switch to nights in May.

The track, a 1/4 mile paved oval, and facilities are in good shape according to Sill and with an extra week to work on the entrance and parking, things should be ready April 15 and 16. In case of threatening weather fans may call (312) 662-8200 for late information.

But, ah, she gave me never a look,
For her eyes were seal'd to the holy book.
Loud prays the priest; shut stands the door.
Come away, children, call no more.
Come away, come down, call no more.

Matthew Arnold
